Reading Rewards!

Dear Parents,

Reading is the key to unlocking your child's potential and we are always aiming as a school to promote this as often as possible. Following a successful trial of a reading reward system in Key Stage One, we are now ready to roll this out across the entire school from next week. The system will work as follows:

- If a child has four or more entries in their reading record over the course of one week they will receive a reward sticker.
- In addition, their name will be entered into a prize draw to win a book. (Draws will usually take place in our 'Achievement Assembly' held every Friday.)

Please support this reward system by aiming to hear your child read at home at least four times a week and recording the details in their Reading Record book. Research shows that children who read regularly at home as well as in school are far more likely to achieve high standards not just in Literacy, but across the whole curriculum.

Thank you for your support.

Mr. Berry

Literacy Co-ordinator
