Weekly Newsletter Issue No.4

Well done & Big News

Congratulations to Miss Brown who had a healthy baby boy (Harry) on Saturday 20th February.

This year we are celebrating our **90th** Anniversary and have lots of plans in store to mark this event. We will have an open evening for ex-pupils and a day of fun for current children. Both these events will be in May and we will confirm the dates as soon as we can. We will publish any information on our newsletters and our Facebook page. We also have a designated email address where you can send any photos, copies of reports or anything else you find. Please send it to 90thcelebrations@southbenfleetprimary.net.

Well done both classes.

School Books

Can we please ask that all pupils bring their school library books in weekly to enable them to change them. We are also asking all pupils to have a good search at home – look under your beds and in your bookcases for any books belonging to school (guided reading books, class books, library books etc) and return them to school so other pupils can enjoy the books.

School Closure Notification Procedures

If we have severe weather or extremely low temperatures, flood, heating problems etc. we will always try and stay open providing it is safe and sensible to do so and enough staff can get into work. We will use Parentmail, the school website, Twitter and Facebook to announce any closures and re-openings. Details will also appear on the Essex County Council website. Please remind your children that if the school has to close suddenly, or at any time there is no one to meet them, they must not go home alone from the playground but come into school where we will make arrangements for them.

Reading

Please continue to read with your child as often as possible and remember to record an entry in your child's Reading Record. Our aim across the whole school is for all children to read at least four times a week at home; they are then included in our weekly draw to win a book.

Meet the Governors

Robert Askew – Parent Governor

I have been a Parent Governor since 2010, during which time my two Daughters and my Niece have been taught here. I have a background in both the Private and Public sector. Additionally, I ran my own Childcare Business with my Wife Jacqui, where we were graded Outstanding by Ofsted. I am passionate about children reaching their full potential and I joined as Governor to make a difference.
