Governor News – termly update

Over the last few months we have welcomed five new Governors to the Board.

This term we have focussed on the pupils' Health & Wellbeing. The School's Health & Safety Policy has been updated and the Governors have undertaken a detailed study of the school site and as a result some minor remedial work has been identified to take place over the summer holidays alongside the work we are having done on the School's electrics and drainage. We hope some of you will have seen on Twitter the pictures of the recently redeveloped wildlife area at the back of the School which has been turned into an excellent area for the children to play and perform. Thank you to the PTA for funding the table football and table tennis tables for this area.

In the last term the Governors have also visited School to monitor the teaching of Reading, Spelling and Handwriting across the curriculum.

At our last meeting of the year we had an interesting and informative presentation from our SENCO Mrs Michelle Skinner; we received the Headteacher's report including the staff update, and approved the School's budget for the next academic year.

Finally, we wish all our Year 6 Leavers the very best of success for the future.
