Don't Forget

Now the warmer weather is here, could we please remind you that footwear should still be school shoes (not trainers or canvas shoes) and if children wish to wear sandals please ensure they are school sandals and have a back strap. Could girls please refrain from wearing party type sandals as these are not suitable for school. Could we also ask that if wearing sandals, then socks are still worn. Slip on shoes are not suitable for school.

Also, please ensure that children have sun hats to wear and that sun cream is applied. A quality long-lasting, waterproof high protection cream is best. Please do not send sun cream in to school. Please also ensure they have their water bottles with them.

Could we please ask that you check your children's feet for verruca's before they have swimming. Verruca socks are available from the school office.

Please ensure that swimming kits are brought into school on the morning of your child's swimming session. They will need a swimming hat and these can be purchased at the school office for £1.50.

Although the weather has been cooler, we have a variety of measures to help make the experience fun, safe and successful and as comfortable possible, these include:

- o the pool being kept at a comfortable temperature
- o regularly refurbishing the changing rooms
- o heating the changing rooms
- o a rubberised soft pool surround and path to the changing rooms
- o hooks on the poolside right where the children leave the pool allowing children to quickly wrap themselves in a towel.
