

South Benfleet Primary School School Motto Competition

We need your help!

Several years ago children and staff developed a school mission statement which is:-

'The dedicated team at South Benfleet Primary School aims to provide a happy, caring, community of learners where all are welcomed and valued and where learning is fun, real, relevant and memorable. We strive to ensure that our children acquire responsibility, tolerance and understanding and develop respect for themselves, each other, their families, our local community and the environment. We want our pupils to be co-operative and have high self-esteem and develop the motivation, knowledge and skills to prepare them for the world of tomorrow.'

We are now looking to create a school motto which promotes our school and its ethos which is short, snappy and memorable. This motto will be displayed on our new website (which will be launched in the new year), in the school office entrance, on our letter head etc.

We hope that over the Christmas holidays you might put your heads together and create a winning motto for our school!

Included below are some mottos from other schools and organisations which may help to get you started and inspire your thinking. There will be prizes for the winning entry or best ideas which may be used on their own or combined with others. Please remember that most successful mottos tend to be no more than 5 or 6 words long.

Some of the key words from our mission statement which you may like to include or use are: happy, caring, community, learning, fun, real, relevant, memorable, responsibility, tolerance, prepare, motivation, skills, knowledge tomorrow

Thank you

Please submit your ideas on the slip overleaf and return to the school office or send via email :admin@southbenfleet.essex.sch.uk by the 9th January 2015.
