

Please see overleaf slightly tweaked menus which will commence after half term starting with week 1. Below is a Bonfire themed day to be held on the 5th November. Price for junior children is £2 per day.

Please ensure your child likes or will at least try the items on the menu as there are usually no alternatives with the exception of medical allergies, known vegetarians and for reasons of religious observance. Children will therefore largely be given 'their' meal as per the menu as they walk through the servery.
