Are clouds in, under or above the sky?

Post your answers in the Think Box in the office

Library News!

Non-fiction books are now available to borrow from our school library. This will give children an even bigger choice of books and will help those readers who prefer to read facts rather than stories.

Reading

Please continue to read with your child as often as possible and remember to record an entry in your child's Reading Record. Our aim across the whole school is for all children to read at least four times a week at home; they are then included in our weekly draw to win a book.
